3. Tell us your Occupation Group

- Read the below descriptions of the five Occupation Groups carefully, as they're used to work out how much your insurance costs.
- If you're retired or not working, select 'light manual'. Open cut miners are classified as Heavy Manual, not Mining.
- Your selected Occupation Group will apply to all your insurance with us. Any new insurance premiums will apply to your total insurance cover, including existing Basic Cover, Voluntary Cover and / or Income Protection insurance, from the date we receive this form and your application is accepted by our insurer.
- If you don't select a Occupation Group you could pay more for your insurance than you have to. Refer to the PDS and Insurance Guide for more information about job classifications and how it may impact your insurance.

Mark 'X' in one box
